This riding breeches is made of performance lightware fabrics and Meryl Fiber Technology for competition needs, designed in unique brown/white colors. Developed for active wearing, quick-drying, and exceptional comfort during the competition. These riding breeches fit all shapes and heights and enhance the mobility of knees due to the specialized side panelling.

Featuring grip technology: the silicone print on the seat provides a secure grip in the saddle and more consistent leg position without the added bulk of a full-seat layer, and an additional silicone grip on the elasticated waistband gives fixed hold on the waist even under extreme movement during exercises. Contrast design makes these breeches outstanding wear!

Complete with contrasted single and wide belt loops, back and deep front pockets with contrasting piping, a stretch lycra sock on the bottom of each leg what allows boots to slip on with ease.

Highest performance and elegant style – that is what you will get with these riding show breeches.
