

INTRODUCTION

Cavalliera is an international equestrian fashion brand that has been representing style and quality since 2007. Founded in Budapest, Hungary. Cavalliera works on a basis of femininity and creativity, fused with a professional horse rider attitude. Cavalliera inspires women worldwide and is synonymous with a lively lifestyle – exciting, modern and irresistible femininity.

Elegant style and sophisticated design are at the heart of the brand's philosophy. These positive values shine through at every level, from the laid-back tailoring to the made-to-last quality. Cavalliera's aspiration is to be the best equestrian fashion brand with an outstanding price-value proposition: Capturing market trends and innovation in color, quality fabrics and shapes, and expressing them in the elegant, feminine and unique Cavalliera style. For every garment, the Cavalliera Team pays maximum attention to fabric selection, fitting and perfect quality.

Courage for innovative changes, continuous improvement, know-how and openness for new ideas are the motor of Cavalliera's success story.

Cavalliera has a presence in over 40 countries, and offers its products through wholesale or retailer shops that share the company's quality standards and brand essence. The company constantly expands its position as a global player worldwide.

black navy blue

® TECHNICAL MATERIALS:

Softshell: (breathable, moderately wind, water and UV resistant) It is a double knit fabric which is made from super finely spun polyester fibres. The end result is a super smooth, washable and functional fabric. The round handle of the fabric means it can easily be moulded to the body to create a skimming shape without feeling tight.

In the Form-Fitting Double Front Panel Jacket any rider can look elegant and be comfortable at the same time. Due to the belt formation and the stretchy fabric, the jacket looks like a custom-made order and gives you a perfect form fitted look.

The double front panel gives you free range of motion below the fitted waistline, even if you need and extreme freedom of movement during the exercises.

The Form-Fitting Double Front Panel Jacket is the one and only combination of perfectly fitted design and unlimited performance that makes you the most elegant and comfortable rider in the show-ring.

Pique: A staple fabric in the sportswear industry, pique has long been regarded as the go-to fabric for polo shirts. 'Pi-kay' refers to the weaving style characterized by the raised parallel cords. Mainly woven of cotton, pique has proven to be breathable, durable and easily cared for as its textured weave does not show perspiration stains readily. This fabric gives excellent comfort.

Stretch Cotton fabric: the cotton fabric shows good durability and utility, and high water-absorbing capacity. In humid atmosphere cotton fabric can absorb 27% of water without getting damp. The cotton fabric has very good breathable characteristics, it is hypoallergenic, agreeable to touch, it is suits perfectly for people with skin hypersensibility. It has low thermal-conductivity, therefore it is an ideal material for both summer and winter clothes: in summer it prevents your skin from heat, and in winter it preserves the warmth of your body. The stretch cotton fabric has very high elasticity characteristics. It is easy washable and can be ironed even at high temperature.

Stretch Cotton fabric: the cotton fabric shows good durability and utility, and high water-absorbing capacity. In humid atmosphere cotton fabric can absorb 27% of water without getting damp. The cotton fabric has very good breathable characteristics, it is hypoallergenic, agreeable to touch, it is suits perfectly for people with skin hypersensibility. It has low thermal-conductivity, therefore it is an ideal material for both summer and winter clothes: in summer it prevents your skin from heat, and in winter it preserves the warmth of your body. The stretch cotton fabric has very high elasticity characteristics. It is easy washable and can be ironed even at high temperature.

CONDITIONS OF SALES

EX-WORKS:

"Ex works" means that the Seller fulfils its obligation to deliver when it has made the goods available at its warehouse to the Buyer. In particular, the Seller is not responsible for loading the Goods on the vehicle provided by the Buyer or for clearing the Goods for export, unless otherwise agreed. The Buyer bears all costs and risks involved in taking the Goods from the seller's premises to the desired destination. This term thus represents the minimum obligation for the Seller.

The Seller must send the commercial invoice or its equivalent electronic invoice to the Buyer. If any export documents or other Hungarian official authorization is necessary the Seller can provide it, if requested.

PRICE:

Unless otherwise set forth in the Individual Sales Contract, the price of the Goods is based on the prices quoted in Cavalliera Retailer Guide's product catalog.

REVERSE CHARGE: VAT is paid by the buyer.
